

Congratulations, Lesley!

Lesley Lokko, an architect, academic and best-selling novelist, is named the Dean of the renowned Bernard and Anne Spitzer School of Architecture at The City College of New York. The appointment is effective December 2019.

We are thrilled to see Lesley, also being a member of ArchiTangle's advisory board, moving to the Big Apple - New York feels just so much closer to Berlin than Johannesburg.

Good luck, Lesley, in New York! We are having some ArchiTangle projects coming up in your new hometown and are very much looking forward to seeing you there.
